Archivals 1837-1941

Archive materials offers many information on history of Belgrade in the XIX century. Data are related to the political developments (dynasty changing in 1840, Rising lead by Vučić in 1842, Katan Rebellion in 1844, developments 1848, St Andrej assembly of the Parliament in 1858, Belgrade bombing in 1862, Mihailo assassination in 1868 –inventory of things), then communal construction, partition of estates during Belgrade expansion away from city walls, craftsmen associations, crafts, statistics, health situation, educational, ethnography. Archive materials until Ottomans left Belgrade in 1867, include data on relations between Serbs and Turks,

actually on theirs often conflicts.

Archive materials relating early XX century and period between two world wars is kept particularly. Of this reason data, which these archive materials provides, are poor. As significant it is needed to be mentioned – data provides information on: Serbian army military operations and foreign agencies news on war operations and happening (Telegrams being sent from the City of Niš during 1915 to the Administration of the City of Belgrade).
